

CTPAT Statement of Support

Since 2006, ASA Management Corp., d/b/a Sea Shipping Line, is proud to be certified by the **U.S. Customs and Border Protection (CBP) Customs Trade Partnership Against Terrorism (CTPAT)**. This certification recognizes our company's commitment to maintaining the highest level of security for the well-being of our customers and the United States. Supply chain security continues to be an integral part of our culture and business processes.

CTPAT remains a voluntary public-private sector partnership program where members work with CBP to strengthen their international supply chains and ultimately improve border security, protecting the supply chain from criminal activities such as drug trafficking, terrorism, human smuggling, and illegal contraband.

The executive leadership and management at Sea Shipping Line has developed, and maintains, a multi-layered security program that is consistent with the CTPAT minimum-security criteria (MSC), and remains committed to protecting our organization and supply chain from any illegal or illicit activities.

Security is everyone's responsibility. All employees and business partners, including contractors, service providers, and visitors are expected to adhere to the CTPAT security policies and procedures that are in place at all of our offices. Thank you for your assistance and cooperation.

Sincerely,

Fred Morgenthaler, President
